Premium Fiber Optic Cables for Faster Home Internet, and commercial grade applications

Premium Fiber Optic Cables that are compatible with In home FTTH & FTTB Fiber Optic Networks.

For Fiber Professionals & In home Fiber Upgrades. Every installation needs to have flawless fiber, from signal origin to termination. If not, the end result will be inefficiency, slow speeds and a frustrating Fiber experience. Our Cables are custom designed for Performance, with Thicker Cable protection and high quality Fiber glass.

Compatibility - Our popular SC/APC to SC/APC Fiber Optic Cables range is extremely popular with many home Fiber Optic Installers & Customers who want to re-route their Fiber Providers boxes. Many of our customers use these cables to re-route their Fiber Optic Networks so they can work from Home with Faster Fiber speeds.

Proven in the field. We deliver Live Cable feeds to some of the largest racetracks and sporting venues across America, where mission critical performance is essential to our business. Finding that a lot of industry cable was unreliable, we decided to source our own Fiber, to our own high standards. The result is flawless Fiber which performs out of the box.

No additional cleaning required. PacSatSales Single mode Fiber optic cables perform out of the box, there's no additional cleaning required. They come in popular 1ft, 1M, 3M, 5M, 10M, 15M and 20M meter sizes. Your Simplex Fiber Cables can also be Coupled together if custom lengths are required

Premium quality and Bulk Purchase options - We provide discounts for bulk purchases so whether you're installing Fiber to the Home, Business or industrial use, our Fiber helps you keep your business successful and profitable.

Pre-Tested. Every 9/125µm patch cable is RoHS compliant, and are optically tested for insertion loss to ensure quality.

Suitable for all networks. CATV, FTTH, FTTB and FTTP systems. Most recently People have been using our SC/APC to SC/APC cables for in house ONT (Optical network Terminal) relocation. Verizon Fios Fiber ONT is a popular unit for this type of move.

Warranty & Support

Amazon.com Return Policy: You may return any new computer purchased from Amazon.com that is "dead on arrival," arrives in damaged condition, or is still in unopened boxes, for a full refund within 30 days of purchase. Amazon.com reserves the right to test "dead on arrival" returns and impose a customer fee equal to 15 percent of the product sales price if the customer misrepresents the condition of the product. Any returned computer that is damaged through customer misuse, is missing parts, or is in unsellable condition due to customer tampering will result in the customer being charged a higher restocking fee based on the condition of the product. Amazon.com will not accept returns of any desktop or notebook computer more than 30 days after you receive the shipment. New, used, and refurbished products purchased from Marketplace vendors are subject to the returns policy of the individual vendor.
